Three interior designers have been invited to design and stage three lofts in a partnership with Dwell Media. These ASID designers—Frank Slesinski, Rachel Winokur, and Lauea Schwartz-Muller—have reimagined loft spaces in Downtown LA in Met Lofts (1050 S. Flower Street Los Angeles, CA 90015). The spaces will be on display to the public until July 19. Caesarstone is pleased to announce their participation in the partnership.
